## ABOUT US

Unique Logistics , established in 2012, is a leading logistics and freight forwarding company in Bangladesh. With nationwide coverage across all 64 districts and a strong international presence.

We offer services including domestic transportation, air and sea freight, customs clearance, and real-time shipment tracking. The company specializes in garment and textile logistics and is known for reliability, speed, and safety. Backed by a diversified group of sister concerns, Unique Logistics combines innovation with local expertise. Its strong leadership, customer-centric approach, and commitment to excellence make it a trusted logistics partner for both local and global supply chain solutions.

## CEO's MESSAGE

At Unique Logistics, we believe that logistics is more than just moving goods it's about building trust, enabling growth, and connecting businesses with the world. Since our inception in 1996, our mission has been to provide reliable, timely, and innovative logistics solutions tailored to the unique needs of every client.

Our journey from a small team to a nationwide operation has been driven by dedication, integrity, and an unwavering commitment to excellence. With a strong presence across Bangladesh and growing international reach, we continue to evolve with technology, sustainability, and customer satisfaction at the heart of everything we do.

Thank you for trusting Unique Logistics Ltd as your logistics partner.
